PROFESSIONAL SUMMARY

Dedicated and compassionate Nurse Practitioner with hands-on experience in adult health, internal medicine, medical weight management and oncology. Skilled in providing comprehensive patient care and developing individualized treatment plans. Known for building strong patient relationships and collaborating effectively with interdisciplinary teams to ensure the highest quality of care. Committed to advancing clinical expertise with a respected healthcare facility to further enhance patient outcomes.

WORK EXPERIENCE

Triage RN - Oncology

Sanford Health

📅 December 2023 - current 📍 Fargo, ND

- Collaboration with oncology providers and a multidisciplinary team to coordinate care for solid tumor and heme patients, including triage calls, patient messages, prior authorization, and order implementation.
- Adaptability & interdisciplinary collaboration skills in high-volume settings.
- EHR Proficiency & efficient, high-volume desktop management
- Critical thinking and problem solving
- Patient Education and Advocacy

Founder, Owner, Aesthetic Nurse

Minnesota Med Spa

📅 June 2023 - current 📍 Dilworth, MN

- A part-time hobby that has taught me valuable skills, and will in no way interfere with my primary position as an APRN in a clinic setting.
- Created a successful medical aesthetic practice resulting in a profitable first quarter an establishing high satisfaction rates with over 250 clients and dozens of 5-star reviews in the first year.

Nurse Manager - Internal Medicine

IMA Healthcare

📅 November 2011 - February 2021 📍 Fargo, ND

- Led a team of 15+ RNs, LPNs, and PCTs, improving workflow and efficiency.
- Managed the seamless integration of dermatology, pediatrics, rheumatology, and podiatry into the practice.
- Developed an innovative algorithm, enhancing operational compliance with CDC and DoH standards during the pandemic.
- Hands-on assistance in medical weight management, in-office general surgery, joint injections, and pain management.
- Directed multiple Quality Improvement initiatives.

*the gap from February 2021- June 2023:

- A brief trial working in aesthetics full-time.
